Advertising Inflatables

Advertising inflatables create an instant structure. Giving height, and great branding opportunities, Marquees, Arches and Columns are a great way to add impact. Suitable for indoor or outdoor use.

- Very safe, the structure is inflated by an internal electric fan
- Totally safe for use outdoors in all weather conditions and built to last
- Manufactured from ultra strong 270gsm PVC coated polyester
- Very fast to install and remove
- Optional internal illumination creates an amazing effect at night

Columns

Columns have many applications;

- Create a meeting point
- Locate branding in restricted areas
- Add an un-usual feature.

Supplied in their own carry bag the columns unpack and inflate.

These columns give real impact with branding options that give flexibility to have a fixed or changeable message.
