BANNER BOX

incorporating

# Banner Masts

These architect designed masts enable banners to be used in permanent applications. Their high quality heavy duty construction makes them ideal for building entrances and prominent locations

## Heavy Duty Banner Masts

Banner masts are manufactured on a bespoke basis to your exact requirements. We can provide guidance to give you the look and finish you require. Our in house graphics team can complete the job with digitally printed banners to suit.

- Heavy duty steel construction with stainless fittings
- Available in heights from 4m – 7m
- Single or Twin Arm versions available
- Powder coated to the RAL colour of your choice
- Specialist delivery and installation available

## Midi Banner Masts

Midi Banner Masts combine the style of Heavy Duty with an Economic Price

- All Aluminium Construction
- Stainless Steel Fittings
- Hinged or Fixed Base Plates
- Available 4-6 m
- Suitable For Banner Areas up to 3m<sup>2</sup>

**Ground sleeve available for Midi and Budget Banner Masts**

## Budget Banner Masts

Our Post Mount systems can also be used in conjunction with a 95mm dia aluminium flagpole to create an economic alternative to steel banner masts. Supplied in kit form for site assembly, this banner mast solution is straight forward to install.

- Available up to 5m high
- Max recommended banner size 2m<sup>2</sup>
- Suitable for use with PVC, mesh or fabric banners

## ◀ From Chesterfield

## The Banner Box Difference

Banner Box is a leading manufacturer and supplier of many types of banners, banner support systems, flags and flagpoles, large format graphics and bespoke promotional structures. On our customers behalf we have invested in modern manufacturing and finishing facilities and the latest printing and dye sublimation technology, in order to help you meet the challenges of busy and fast-moving markets. Whatever indoor or outdoor promotional display materials you require, we will always aim to meet your deadlines and exceed your expectations.
