Forecourt Display

Effective promotional signage is a key part of the success of any motor retail forecourt. Banner Box forecourt products are both straight forward to use and provide effective branding.

- **Side Display Stands**
- **Forecourt Flagpoles**
- **Y Band Display Stands**
- **Windchaser Flags**

Side Stand

The Side Stand allows motor dealers to make the most of using cost-effective and high-impact banners. Available in four height and width options, to maximize the usage of valuable forecourt space. The Side Stand is simply secured using the weight of the accompanying vehicle. Graphics are easily tensioned with elastics for a professional appearance, and can be changed and updated in minutes.

750mm width

600mm width

400mm width

Y-Band

The Y band is ideal for use in a forecourt environment. Suitable for indoor or outdoor use. Suits any PVC Banner with eyelets. Graphics size 2100mm x 700mm. Single or double sided options available. For more info see Page 41.

Note: Y-Band is not suitable for un-supervised outdoor use or in wind speeds exceeding 15mph.

Forecourt Poles

Car Size 4m

A high quality but simple, single-section pole, especially suited to multiple usage. Manufactured in high-grade aluminium, complete with drive-on base. Height is 4 metres, and pole is supplied ready to use with halyard rope, cleat and finial.

- Ideal budget pole for the motor retail industry
- Recommended flag size 750mm x 2000mm

Truck size 6m

The truck sized forecourt pole takes it to another level. A giant 6m pole makes real impact on a commercial forecourt.

A Boards

Available in A1, A2 & A0 sizes this stylish A Board has aluminium construction with twin faces. Snap open frames provide easy installation and change of posters.

Banner Frames

Made from 30mm diameter round anodised aluminium tube. Heavy Duty Banner Frames are built to withstand the rigors of frequent outdoor use, and feature cast aluminium joints with rubber O rings for easy fitting. Easily carried in a car, these modular banner frames are supplied with carrying bags, elasticated banner fixing loops and ground pegs. For more information see page 53.

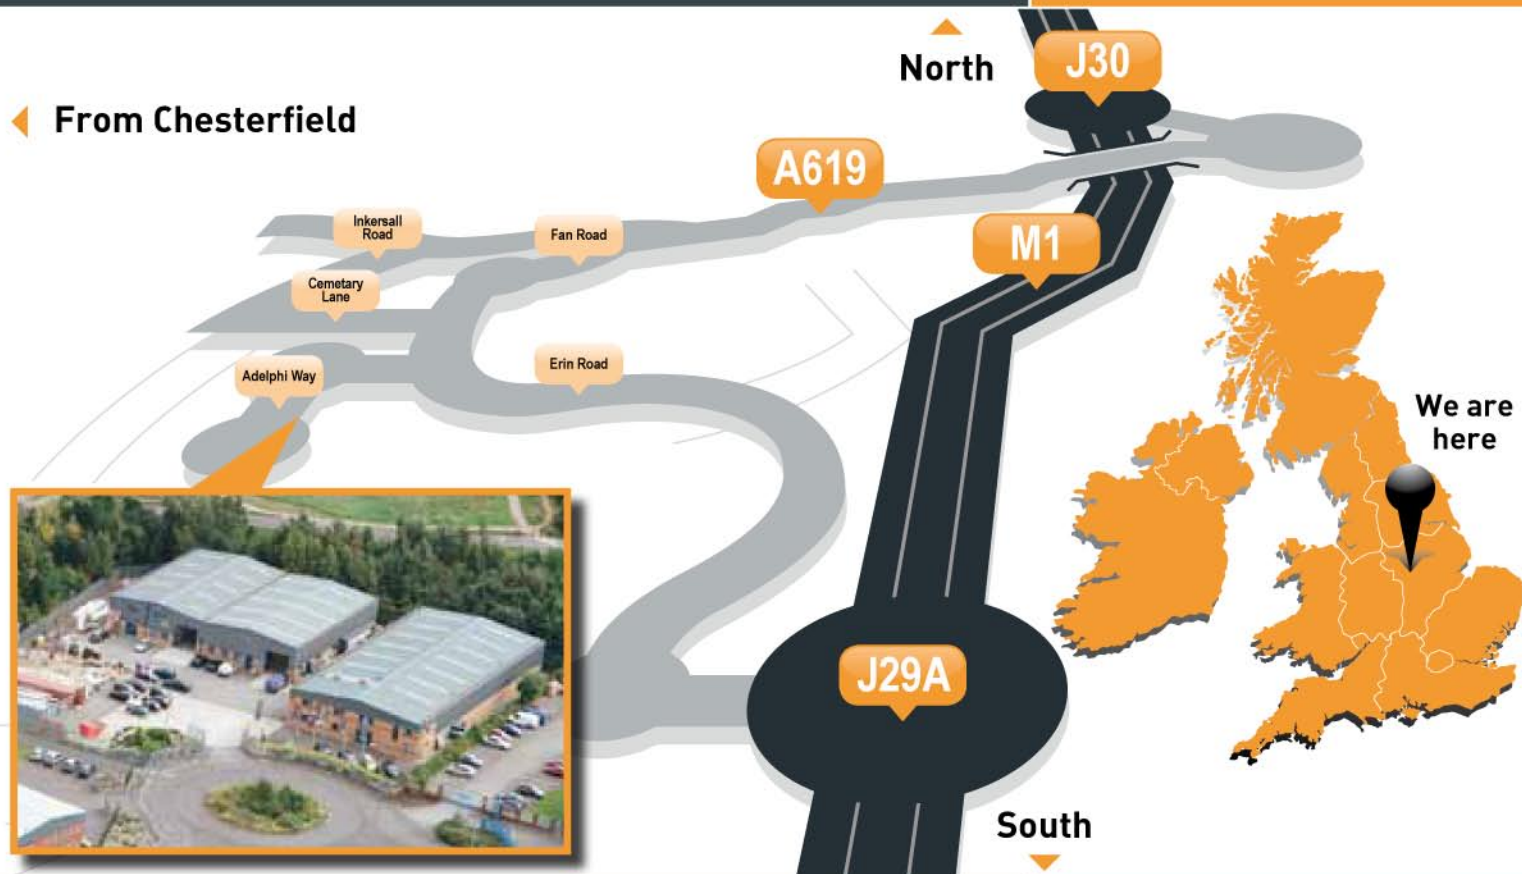

Forecourt Windchaser

Forecourt Windchasers are a great way to quickly add branding to a sales area. The system comes complete with a 2m flag, 4m pole and a drive on base. Set up in less than 2 minutes. For more information please see page 4.

◀ From Chesterfield

The Banner Box Difference

Banner Box is a leading manufacturer and supplier of many types of banners, banner support systems, flags and flagpoles, large format graphics and bespoke promotional structures. On our customers behalf we have invested in modern manufacturing and finishing facilities and the latest printing and dye sublimation technology, in order to help you meet the challenges of busy and fast-moving markets. Whatever indoor or outdoor promotional display materials you require, we will always aim to meet your deadlines and exceed your expectations.
