Indoor Display

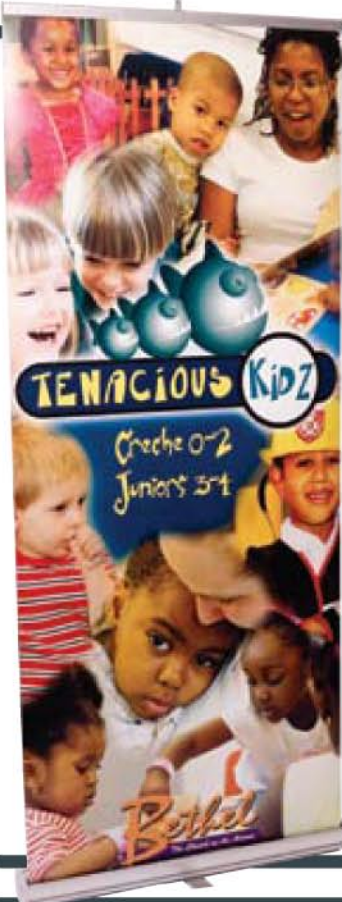

Effective and adaptable solutions are key to the successful use of indoor graphics. All our systems are free standing so don't require an existing wall or fixture to support the graphic. Graphics are printed digitally full colour ensuring accurate colour reproduction and vibrancy of artwork.

Retail Banner Unit

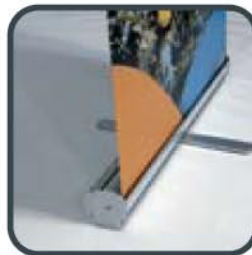

The Retail Banner Display Unit has been designed to display banners up to a maximum width of 3000mm and a maximum height of 2000mm. It holds banners taut and stable for a professional finish.

Rolla Stand

The ROLLA brings great value to versatile display. Ideal for the budget conscious promotion organiser, it boasts a durable aluminium roller cassette unit with a fold out foot, making it stable in use but extremely compact in transit. Graphics are digitally printed and fitted ready to use.

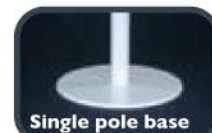

- Supplied complete with padded transit bag
- Just 6kg
- Graphics size 2000mm x 845mm

Indoor Flagpoles

For exhibitions, hotels, clubs and for regimental, ceremonial and corporate use, the Banner Box Indoor Flagpole range is a high quality solution. Features heavy steel bases and can carry as many as six individual flag poles:

- Available in a white or black finish
- Range of gold finials available
- Pole heights from 1.5m to 2.5m
- As specified for UK citizenship ceremonies

Event Branding Solutions

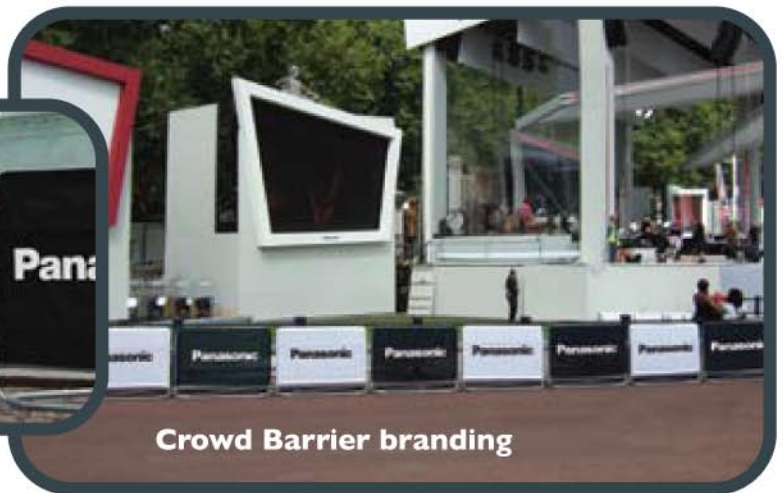

This is not a single product but is a concept designed to bring together a selection from our family of products. We can combine design, manufacture and installation to give a solution for all types and sizes of event.

We will listen to your requirements and provide our expertise and guidance to offer the right result for you. Creative flair and understanding of Brand Marketing enable us to maximise the impact of your event.
