Windchaser Specifications

Windchasers combine a stylish shape with a genuinely easy to use product. The colour coded glassfibre pole sections push together and the flag sleeves on in seconds. All shapes of Windchaser are available in sizes from 2m - 5m. The poles are always 1m longer than the flag (Forecourt 2m longer).

4 size options available for all flag types in addition to the 2m Forecourt format

Windchasers are available with a drive on base, ideal for motor dealerships and promotional vehicles.

All Windchasers come with a sectional glassfibre pole, spiked base and carry bag.

Installation

Assemble pole using colour coded sections

Insert into flag sleeve

Fasten tensioning cord

Locate pole on waterfilled base or ground spike

2m Forecourt Windchaser on 4m pole

Micro Blade

The Micro Blade is a stylish point of sale tool. Manufactured from the same high quality materials as the larger windchasers. The flag can be changed to compliment any promotion. Available with floor or wall mount brackets

Base options

Drive-on Base

Waterfilled Base

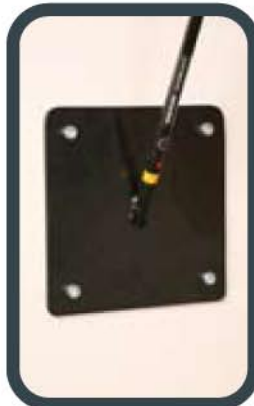

Folding Cross Base with Waterfilled weight option

Ground base

Wall bracket

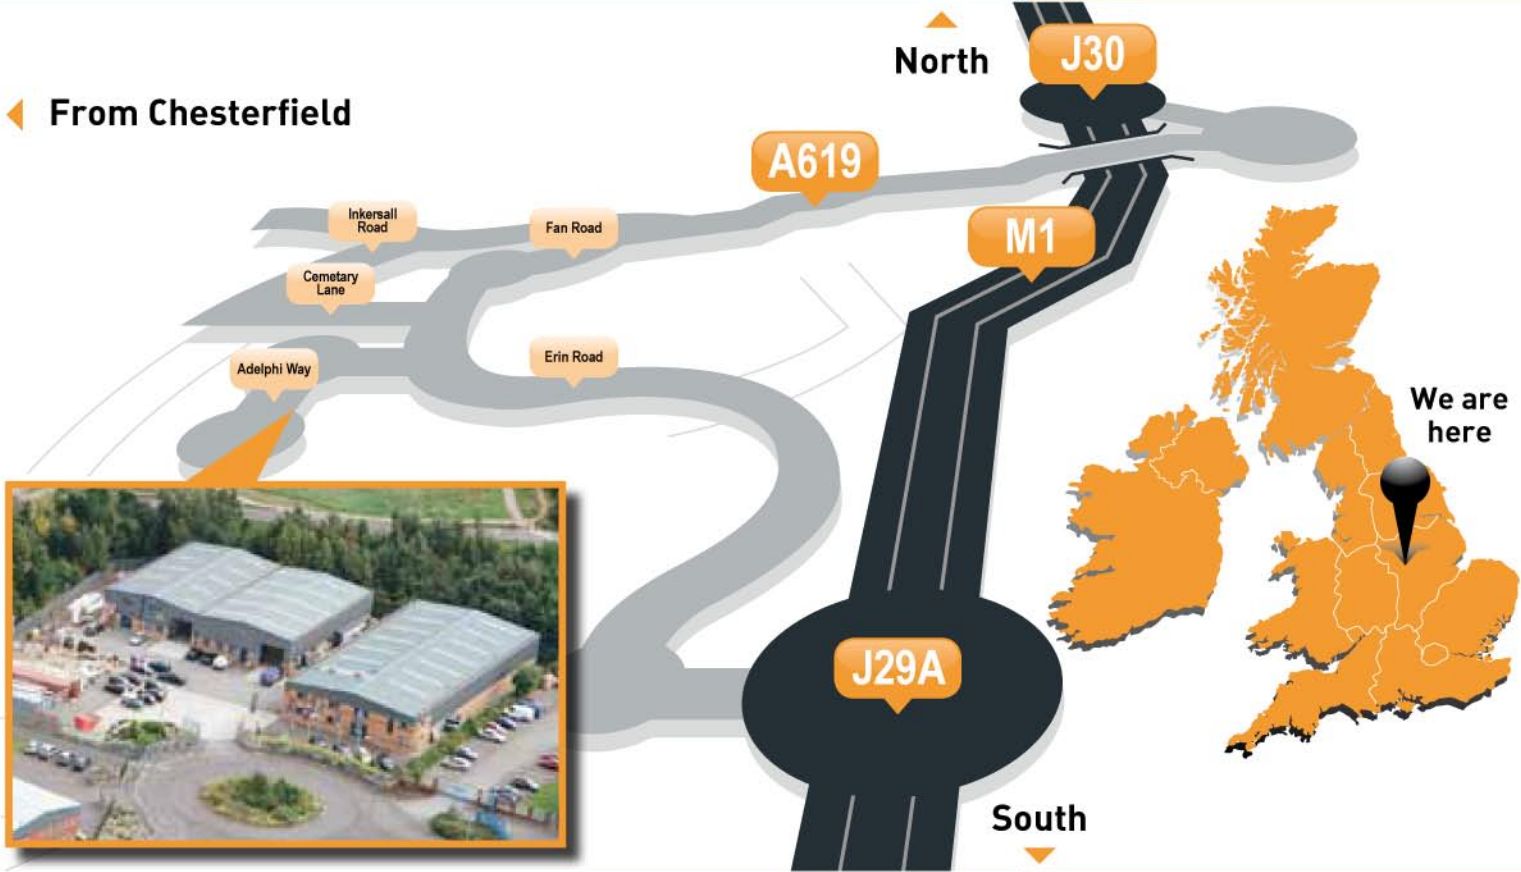

Spiked base

Decorative planter

◀ From Chesterfield

The Banner Box Difference

Banner Box is a leading manufacturer and supplier of many types of banners, banner support systems, flags and flagpoles, large format graphics and bespoke promotional structures. On our customers behalf we have invested in modern manufacturing and finishing facilities and the latest printing and dye sublimation technology, in order to help you meet the challenges of busy and fast-moving markets. Whatever indoor or outdoor promotional display materials you require, we will always aim to meet your deadlines and exceed your expectations.
