The Organisation. Specialised Canvas Services exists to serve the needs of all the interested parties outlined in our organisational context. We will operate in an ethical manner with the objective of being profitable and successful within the markets that we operate.

Scope. This policy covers all divisions of the company and all products that we manufacture or supply. It includes all locations including work undertaken away from our premises. All employees of the business are empowered to contribute to the achievement of our objectives in relation to Quality, The Environment, Health & Safety & Labour Standards.

Quality. Quality is a key focus of the business, we strive to meet or exceed the expectations of all interested parties, particularly our customers. We recognise that achieving our quality objectives brings many benefits to our business through better customer experience, improved organisational efficiency and higher job satisfaction. We will operate on the basis of continual development to improve our quality outcomes.

Environment. We recognise our responsibility to safeguard the environment in the course of our business operations. By understanding our environmental impacts, we will seek ways to control our use of resources & deal responsibly with the waste products and emissions we generate. These impacts may occur locally or remotely but are equally important in a global context. It is the responsibility of all parties to contribute to the success of our environmental objectives

Health and Safety & Labour Standards. Clear and robust Health and Safety procedures are integral to the operation of the business it is our responsibility to ensure that we conduct ourselves in a way that minimises the risks to all interested parties. Good health and safety practices start with the individual. Acting in a safe manner is the first way everybody can contribute to the overall Health & Safety of the business. We will ensure that we provide a safe environment that all interested parties can use in the course of undertaking business operations. We will operate in an ethical manner in relation to Labour Standards

Maintaining our Policy. We will review our policy annually, usually at management review meetings and will seek to reflect the current shape and intended future direction of the business.

Director and Employee Commitment This policy is endorsed by the directors and staff and is signed by representatives on their behalf
